It's better for you to read about modal verbs MUST, SHOULD, CAN, OUGHT TO, WILL and others.

So, also pay attention on the infinitive forms. I mean? for example, offer TO speak.

using vocabulary will make english speaking person to translate "he proposed to her" and "he

actually it was clearly shown in incorrect example with "darling girls".

Rule of thumb is: NO DIRECT TRANSLATION!!! NEVER EVER!!!

Let's make a small club here!!!

We could choose one topic or more that would be interesting for most people here and start to speak about it.

For example, how to find a new interesting job or maybe, nice places to travel.

Hi! I`m Natalie! It`s great that we can talk in English here. First I want to apologize for my bad English. I`m just learning it. Please, don`t be very strict.

If I`ve understood corectly, we gather here to talk, but not to find mistakes in sb`s speech. We should be more polite.

Exurse me if I`m not right.
